

THE HOLY FAMILY CATHOLIC HIGH SCHOOL

A SPECIALIST MATHEMATICS AND COMPUTING COLLEGE

"TO INCREASE IN WISDOM AND GRACE"

19 January 2018

Dear Parents/Carers

On behalf of the Governors of The Holy Family Catholic High School, I write to inform you that Mrs Wilson, our current Headteacher, has successfully been appointed as Chief Executive Officer of a multi academy trust in the Diocese of Nottingham, responsible for all Catholic schools in Lincolnshire and Rutland. I would like to take this opportunity to thank her, on behalf of the Governors, staff, pupils and yourselves for all the hard work, dedication and vision that she has demonstrated since her appointment. Mrs Wilson will continue to lead our improvement agenda and will remain in post until the end of the summer term 2018.

Governors, in conjunction with North Yorkshire Education Services and the Diocese of Leeds, are committed to finding a new Head for our school with the key skills necessary to continue the significant improvements implemented by Mrs Wilson in her time here.

The recruitment process will take place over the coming months and I will keep you informed as to developments via our website.

Yours faithfully

Peter A O'Neill

Chair of Governors
