

05 November 2018

Dear Parents/Carers,

Invitation to Year 11 Parents' Workshop on GCSE Examinations

I would like to invite you to attend a parents' workshop on **Wednesday 14 November 2018 at 5:00pm** at the Holy Family Catholic High School.

The aim of the workshop is to provide details about the mock examinations which take place during the period from the 03 December to 14 December 2018. Information will be given about each GCSE subject and the appropriate resources that should be used to aid revision. I would like you to have as much information as possible about the mock examinations so that you can support your child fully through this examination period.

The pupils will take part in a planning session during the day led by an external speaker. This consultant will share her strategies with you in a workshop that evening tailored to meet your needs as parents. The session will be run by Sue O'Leary Hall and you can find more details about her coaching and training work here <https://thesancoachingandtraining.com/>. She will outline and include support strategies for the year 11 pupils and parents, such as a helping to manage stress levels; as well as useful revision techniques and planning strategies for the mock examinations.

It promises to be a very inspiring and supportive session. Do come along to the workshop - as we aim to work in partnership with you to secure the best personal and academic outcomes for your child.

Yours sincerely,

Mrs H Habberjam

Year Leader

✂

Please return to the school office by Monday 5th November. Thank you

Year 11 Parents' Information Evening

Name of student:..... Form Group:.....

Yes No *(Please tick as appropriate)* We will attend the information evening on 14/11/18.

Signed.....(Parent/Carer)
