

## Destination Data 2017-18

### Key Points

- Zero NEETs (Not in Education, Employment or Training)
- Students enrolled at 11 different Further Education Colleges and 2 different 6<sup>th</sup> Form Colleges
- Students enrolled for apprenticeships in four different sectors – mechanic, hair and beauty, blacksmith and aerospace engineering

Below the table shows the percentage of the 2017-18 cohort that enrolled at each type of post-16 education or training.

For comparison 2016-17 national data from DfE:

|                           |     |
|---------------------------|-----|
| Further Education College | 47% |
| Apprenticeship            | 5%  |
| 6 <sup>th</sup> Form      | 39% |
| NEET                      | 5%  |

NOTE: 2017-18 national data will not be available until Oct 2019
