

Wednesday 18th March 2020

Good evening to all our parents and carers,

As you are aware there has been an announcement this evening with regards to school closures. We are seeking clarity on a number of points and will contact you again when we have more detailed information.

School remains open on Thursday and Friday this week.

Any students who are currently self-isolating must not come into school. Please follow the public health advice and keep students at home to self-isolate with your family if they have a fever and/or a persistent cough.

As you are aware we have been preparing for this scenario and we are able to continue supporting students through our online learning platform. Please see previous correspondence for details.

We have been asked by North Yorkshire County Council for names of students of 'key workers'. If you fall into one of the government's categories of a 'key worker' can you please let us know the name of your employer through our enquiry email, enquiry@holyfamilycarlton.org.

This is an extremely stressful and worrying time for everyone. We realise that our Year 11 students in particular will have lots of questions and be processing what the announcement means to them. As soon as we know more we will be in a better position to support and inform them.

It will be very difficult for us to respond to individual queries so we urge you to wait until we send out further information.

God bless everyone and keep you safe. Your patience and kindness is much appreciated.

Yours faithfully,

Mrs D. Mitchell

Headteacher
