

Bishop Burton College Update

Virtual Open event 22nd April 5-8pm

Our open event which was planned for *Wednesday 22nd April 5-8pm* will still take place. As we are unable to see students on campus face to face our event will now take place online. Our virtual open event website will offer all the information that you expect to receive at an Open Event, and we will have academic and student services staff on hand to answer any questions via our new live chat function.

Please encourage students to pre-register for the event via our main website

1) Bishop Burton College - We are still accepting applications!

Our entry requirements will in essence remain the same, however, we will be flexible in our approach and allow some movement of students between course levels during the first 6 weeks based on our own initial assessments. Given recent developments, we will assess every student application on individual merit and circumstances, and we will seek to ensure no student is disadvantaged because of the extraordinary circumstances we find ourselves in.

We are still accepting new applications and conducting interviews over the telephone.

2) Bishop Burton College: if a student has **already accepted a Conditional offer.**

We want to reassure your students that we are honouring any offers that have been made.

We also have a live chat function on our website between 9am-4pm Monday – Friday.

Students who have accepted a place will be sent a 'Joining instructions' email over the next few months which will contain all the information they will need to enrol such as what reading materials are needed, clothing if required, transport etc. Please make sure our admissions team have an up to date student email address.
