

JOHN LEGGOTT COLLEGE UPDATE 30/04/20

Good afternoon,

We are aware that some of your students may be worried about transitioning to college as our usual process is most likely to be cancelled, so we wanted to provide you with further information regarding our new plans for transition so you can offer your students reassurance.

Social Media

We regularly post answers to frequently asked questions and provide lots of information relevant to Y11 students on our Social Media pages as well as our website.

We would appreciate it if you could encourage your Y11 students to follow us on our social media channels - a virtual tour of the college building will be posted to our social media pages soon, so if students can follow our pages then they can see this exciting new video as it goes live!

Virtual Transition Days

Currently we cannot confirm if we will be back for our usual College Transition Day in July. If we are, this will still go ahead however as a contingency we are excited to announce that we will also be hosting Virtual Transition Days for our prospective students! These will begin w/c Monday 11th May.

Students can sign up for sessions by clicking the link: <https://www.leggott.ac.uk/transition/>

The sessions will be led through a platform called Zoom, students can download this through the appstore on their phone. There will be an opportunity at the end of each session for Q&A with the area lead.

If you receive any queries regarding college applications, interviews or the transition process from your students, please do encourage them to get in touch with us directly so we can help to support them. recruitment@leggott.ac.uk

We wish you well, and hope you are staying safe.

Kind regards,

Samantha & Katharine
