

## **Year 11 Schools update**

Just wanted to give you all a brief update for your Year 11s so far. We are working on a number of projects to help with their transition support and will have more information over the coming weeks.

### **Stepping forward – Transition for new starters September 2020**

Starting College is a big step in all young people's lives and we want to make the next step as easy and as smooth as possible. That's why we've developed our Stepping Forward transition to college support programme. It will include useful information about how you can start to 'step forward' with your learning and knowledge ready for the start of your college life. More information will be provided in the coming weeks.

### **Taster Days**

We still plan to hold Taster Days for our current Year 10 and 11 students but these will be held virtually. They will run from approximately mid-June to the end of July for any students interested in a more in-depth look at a course. Again, more information will be sent out after half term.

### **Virtual Open event - Saturday 20<sup>th</sup> June 10am-1pm**

Students are welcome to come and join our next Virtual Open Event on 20 June, 10am – 1pm. [They can register online here.](#)
