

Stepping Forward – Supporting Year 11's in their transition to college

We know that things might be quite daunting at the moment and that you might not know what to expect when you start at Bishop Burton in September?

That's ok, want to help, so we've created our **Stepping Forward** programme.

We have developed a range of activities for you to try, each relating to the subjects we offer at the college. They have been designed to give you a taste of what you might do when you join us in September.

As well as the subject based work, we have provided some additional activities for you to tackle. These are around the topics of staying safe online, radicalisation and extremism and British Values.

All of the Stepping Forward work can be found here –

<https://www.bishopburton.ac.uk/student-life/stepping-forward>

Remember, our Student Services team is still here to give advice and guidance if you need a little more support. Email enquiries@bishopburton.ac.uk or give us a call on 01964 553000.

Bishop Burton College working with Morrisons

Bishop Burton College is collaborating with Morrisons to deliver a brand new apprenticeship programme, starting January 2021. **The Laying Hen Academy** will be a programme based around the egg industry with some high-profile companies working together to offer work placements, industry knowledge and future job opportunities.

Keep checking our website for more details coming soon.

Bishop Burton College Connect 2020

All students who have accepted a place or hold an offer to join us in September should by now have been invitation to join our new **Facebook Connect 2020** group. This secure group has been set up so that new students can start to get to know others in the Bishop Burton College community as soon as possible.

This is password protected so only our students will have access – it is another way for them to connect with other new students beginning their next step with us. It has been operating for nearly a week and already we are seeing hundreds of students engaging and many joining chats and getting to know each other.

Virtual Open Event

Saturday 20th June 10am-1pm get to chat via text to staff from all our subject areas, watch videos from our academic and support teams and have a look at what the college has to offer. Just log onto our website and book a place.
