Equipment

At secondary school, you will be moving around to different classrooms for different lessons. You could be in 7 classrooms in one day. This means that you need to bring all the equipment you will require with you for the day. You can keep larger items such as your PE kit in your locker, however you can only go to your locker before school, at break and lunchtime and at the end of the day. Below are some items you will need to bring – can you identify them and add anything else?

Looking Smart at Secondary School

One of the different things about moving to secondary school is the change in what you will wear. At Holy Family we pride ourselves in looking smart and professional at all times. Use the school website or the information booklet to draw and label the school uniform you will wear onto the Lego figure

Why is wearing the correct school uniform important?
