

Schools update 30th June from Bishop Burton College and University Centre - Virtual Open Event, Q&A Sessions

Whilst we can't welcome students to the college as we normally would, that doesn't mean you can't hear from our tutors on what makes studying at Bishop Burton College and University centre special.

Hosted via Zoom, our staff will tell you about the courses on offer and give you the opportunity to ask questions. A member of the Student Services team will be on hand during each session too, to answer any questions relating to things like finance, accommodation or transport.

Years 10+11 to book places on the College Level (Further Education) sessions

We hope to see you there!

To register your space, click here > <https://www.bishopburton.ac.uk/open-event-booking>
