If you want your son or daughter to have the best chance of a positive future, please do book your place and see for yourselves why Selby College should be your first choice:

- **Academic excellence:** In 2020, we were delighted to achieve a fantastic 100% A Level pass rate, with some great destinations including the University of Oxford. We also achieved a 100% pass rate for our Vocational Level 3 courses, which also allow great progression to University.
- **A strong team:** Our lecturers and support staff successfully challenge our students to achieve their best, while still offering caring pastoral support. We offer all our students excellent careers advice, coaching and support with UCAS.
- **Our stunning campus:** Modern, spacious and safe always. Necessary Covid precautions in place with strong supervision and clear briefings.
- **Online learning capability:** For the 2020/21 academic year, we are enhancing our online platforms and resources. So, if education or transport are disrupted by Coronavirus, learning will continue, and students will experience more support and resources online regardless.

- **Great student transport support:** Competitive bus fare packages and ample parking on site for students with their own cars, so time and expense on the country's roads is reduced.

I look forward to meeting you (virtually) soon!

Yours sincerely

Phil Sayles
Principal and Chief Executive
