## WHO ARE WE?

Pastoral Support

Academic Support

Developing independence and resilience

Each student at JLC is assigned an Academic Advocate who acts as a link between the student, the teacher and the parents & guardians.

Academic Advocates act as a first point of contact for students, delivering pastoral and academic support through one-to-one meetings and group tutorials, where students are able to reflect on their academic progress and gain an insight into their progression options after JLC.

## WHO ARE WE?

Emergency First Aid  
Mental Health Support  
Safeguarding

The team consists of a Wellbeing Officer, Mental Health Advisor and College Safeguarding Officer.

The Wellbeing team works closely with students to support them in dealing with exam stress, coping with day-to-day struggles, leading relaxation workshops and so much more. The team are here to support and build resilience in preparation for students progression after John Leggott College.

## WHO ARE WE?

Supporting Students  
Enabling access to the full curriculum  
Developing independence & confidence

Our Learning Support Department is a team of Teachers and Learning Support Assistants who provide essential support to students with additional educational support needs.

Over the past few years the team have supported students with dyslexia and dyspraxia, students on the autistic spectrum and hearing impaired and visually impaired students.

## WHO ARE WE?

Tailored careers meetings  
Information Advice and Guidance  
University Application Support

Our Careers and Progression team are pivotal in supporting all of our students to progress from John Leggott College to their chosen destination.

Students will be offered support with their UCAS application and guidance around Higher Education courses and entry requirements and writing their personal statements. We support with CV writing, employment and apprenticeship applications, as well as interview preparation and work experience opportunities.

# A\*Spire

---

Our A\*spire stretch and challenge programme offers opportunities for high-achieving students to help them gain a competitive edge, maximise their potential and reach aspirational goals.

Every year many of the students on the programme gain places at prestigious universities such as Oxford, Cambridge and other Russell Group universities. Additionally, our students have successfully enrolled onto Dentistry, Medicine and Veterinary courses at top universities.
