Remembrance Day 2020

Members of our Y11 student leadership team laid a wreath on behalf of Holy Family at the memorial in Carlton village and said prayers of remembrance.
All families should have received a link and password to access our poignant Remembrance Liturgy by email. Thanks to our students and staff who took part. All of our students and staff observed the 2-minute silence and it was heart-warming to see the respect and reverence shown. #lestweforget

---

Shout out!

Further Congratulations to Tom Walker in Year 11 who, following his work experience with BAE Systems, has been awarded the Industrial Cadets Award #STEAMStars #IndustrialCadets #TheEDTUK **#proudcommunity**

Parents Evenings are Going Virtual!

Thanks to staff who are busy organising and setting up systems for our parent's evenings to go online. Further dates and details will follow.

On the way to work this morning, I was listening to an interview with Joe Wicks as part of his 24-hour PE challenge for Children in Need. He spoke about how he used exercise and sport as a way of coping with some difficult things when he was growing up. His primary school teacher then talked about the inspiration Joe has always been to others due to his positive attitude and enthusiasm. It reminds us that there are practical things we can do to help us get through challenging situations and that a little positivity goes a long way!
Have a positive weekend everyone!

Yours faithfully,

Mrs D. Mitchell
Headteacher
