

## JLC A\*spire Programme

JLC A\*spire is a bespoke programme, strongly focused on supporting students with a clustered subject interest, who share a common goal of attending a prestigious university or gaining employment in a highly competitive industry in the future.

*JLC A\*spire is an intensive, expert-led programme to help you reach the destinations of your dreams.*

*From our students who took three A Levels last year, 22% (over 1 in 5) achieved AAA or better; and 46% (nearly half) achieved ABB or better.*

We have a video [here](#) that was created by one of our A\*spire students talking about the programme.

Vignesh is one of the four students who has successfully applied to Oxford and Cambridge universities this year!

We also have a video [here](#) about how JLC supports student to apply to Oxford and Cambridge universities led by our specialist Oxbridge mentor, David Cooper.

*"For me the best thing about Aspire is having that security in knowing that each week through attending the Aspire sessions I am bettering and educating myself in preparation for higher education and the world of work." - Lilly Featherstone, former Sir John Nelthorpe student.*

If you would like to join our A\*spire programme we can discuss this at your interview and you would officially sign up for the programme at enrolment in August.

If you would like any more information from the team, please email [aspire@leggott.ac.uk](mailto:aspire@leggott.ac.uk)

Many thanks,  
Samantha
