Dear Parents and Carers of Year 6,

This letter is a first point of contact to welcome you to Holy Family and to ensure that we have everyone's correct email addresses and mobile phone numbers!

Our current information has come from the local authority database and we have set up a group call with these details. We would be grateful if you could respond to our enquiry email to let us know that you have received this letter. There is no need to name your child in the email as the contact information we have for you is already linked to them.

Once we have everyone set up correctly, we can then easily send you updates and arrangements for our transition process and for your child's welcome to our 'family'.

We know that Year 6 will have mixed emotions about the cancelling of their SAT tests and will be unsure about what happens next.

We would just like to offer the reassurance that we are working on different scenarios to ensure we have a good 'transition' process for all the students who are coming into our Year 7. We will be working with our feeder primary schools to plan our next steps and will keep you updated as current national and school Covid restrictions are reviewed.

Mr Wadsworth is our Student Progress Leader for Year 7 and he will be sending information for you to pass onto your child to hopefully allay their fears and provide them with the care and support they need.

Our mission statement begins with, 'Together we step out in faith, knowing that Christ is with us and united as a holy family...' You are now part of our 'family' and that 'togetherness'. We are truly humbled that you have placed your trust in us to help your child to 'grow in wisdom and grace'.

We will be in contact again soon.

Yours faithfully,

Mrs D. Mitchell
Headteacher
