‘To grow in wisdom and grace’

Holy Family School Prayer

God you have made us your Holy Family,
with Christ, the Church and each other.
In Jesus may we learn the joy in forgiveness;
Mary the Mother of God let us find comfort through
our love of others;
May the example of Joseph help us grow as we serve.
Make our family an instrument of your peace, guided
by your wisdom and strengthened by your grace.
We ask this through Jesus Christ our Lord
Amen.

Helping you to learn…

- How to focus in class
- How to achieve the highest grades you possibly can
- Extending your learning outside of lessons
- Improving your memory
- Being an active learner
- Your teachers are trained to use techniques to help you

INTERACTIONS

Teachers will check that you know what you are expected to do.

INTERACTIONS

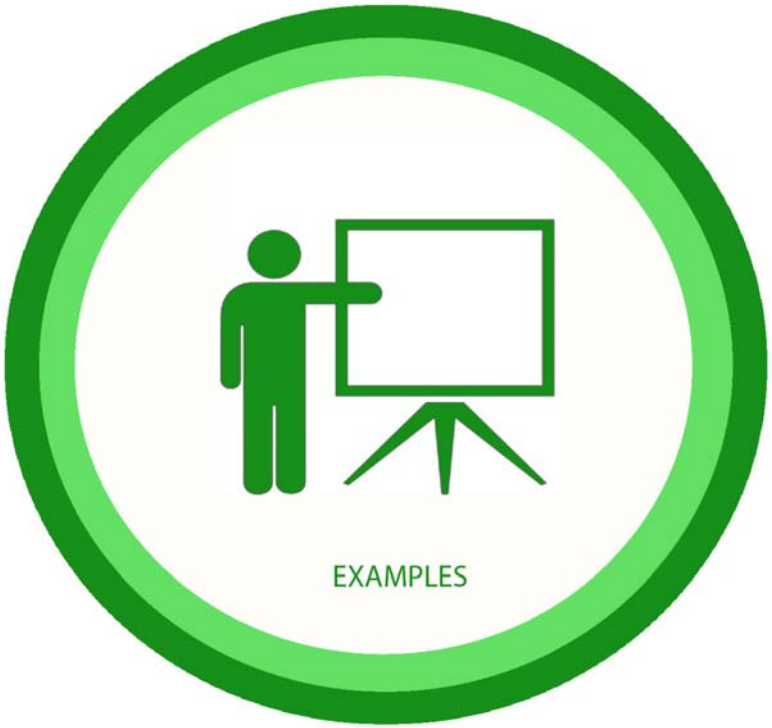
Have a go at answering questions, we will not accept ‘I don’t know’!

INTERACTIONS

Listen to others and ‘take turns’.

INTERACTIONS

Listen carefully to the examples your teacher goes through.



INTERACTIONS

We will keep checking your understanding of previous topics by asking ‘retrieval questions’. This will help you to remember and understand.

INTERACTIONS

Teachers will ask if you..
agree with an answer, want to build on an answer or challenge an answer.

INTERACTIONS

No hands up - Teachers will ask different people to check that everyone is listening and understands.

INTERACTIONS

To build your confidence in answering you will be given time to ‘think’, time to discuss with another pupil and then you can share your answer with the rest of the class.

INTERACTIONS

We will help you to extend your answers.

INTERACTIONS

We will help your speech and language. If you can explain your answers and thinking you are more likely to remember!

INTERACTIONS

We want you to have a go and not be worried about getting something wrong. Your teacher will be able to see what you don't understand and can help you.

INTERACTIONS

Using mini-whiteboards to answer in classes helps your teachers to see everyone's answers and check understanding.
