Friday 24 June 2022

Dear Parents and Carers,

Equipment

The large majority of our students come to school fully equipped and ready to learn but a few pupils are still asking teachers for basic equipment during lessons!

From Monday we will have some equipment on sale at the start of the day. Basic pens are 20p and a 'four colour' pen is £1.25. If we have to lend any equipment, details will be written in the student's planner and recorded on the SIMS app. We will phone home if pupils repeatedly turn up to lessons without equipment. Your support is much appreciated.

Welcome for parents of Year 6 (our next Y7 cohort!)

On Tuesday 28th June we welcome our new Year 7 students and their parents/carers to our transition evening, 6pm till 7pm. We are really looking forward to meeting them again and going through the 'what you need to know' information and the arrangements for our transition day on Tuesday 5th July.

Farewells to Year 11

On Tuesday 28th June, our Year 11 students will join us from 8.45am till 12 noon for their leavers' assembly, liturgy, reflection, brunch and the traditional 'shirt-signing' at the end.

On Thursday 30th June they have their evening celebration with food, music and dancing! We thank our prom committee for all their hard work in organising and preparing for this event. It will be an emotional week!

A really heartfelt moment this week was when one of our external invigilators said thank you to all of our Year 11 students on behalf of the exam team. He said it had been a pleasure and that they had made the job of invigilating very easy by maintaining excellent conduct throughout all the exams. Needless to say, I am a very proud headteacher.

"No act of kindness, no matter how small, is ever wasted." —Aesop

I hope you have a peaceful weekend,

Yours sincerely,

Mrs D. Mitchell
