Dear Parents and Carers,

This year, in addition to my weekly information letter, we will be sending out newsletters on different aspects of school life to keep you fully informed. This week we have attached our **chaplaincy newsletter** with events for this half term. Many thanks to Mrs Ulvaer our school chaplain for putting this useful information together.

Information Evening

You will have received an invitation to an **information evening** we are holding in school on **Wednesday 20th September**. If you have not responded and would like to attend please respond to the group call text message sent 12/09/23. Your child does not need to attend but we are happy for them to come along. It would be helpful for you to have their planner so that we can talk through some of the important information that can help them to learn. We hope you will find the information useful to support your child and help them to make good progress.

Please check your child's planner, lots of stamps have been awarded and you can keep track of comments and messages from teachers. Please sign the planner in the notes section to confirm that you have seen it and please feel free to add your own positive comments for your child!
