Dear Parents and Carers,

We have had a great start to the term and we really appreciate your support in ensuring our students have returned in the correct uniform and fully equipped for their lessons.

Good luck and all our best wishes to our Year 11 leavers who collected their GCSE results over the summer. They should be really proud of their results and the effort that went into achieving them. We have also heard of the great achievements of the class of 2021 who have gained some fantastic A Level and Level 3 vocational qualifications, we are so proud of you all!
